

*“Free the child’s potential,
and you will transform
him into the world”*

— Dr. Maria Montessori

Campus Features

Before & After School Care

Full-Day, Montessori Program

Half-Day, Montessori Program
(morning & afternoon)

Summer Camp

Secure Playground

Pool (Summer Camp Activity)

Low Student-Teacher Ratio

Our faculty at Hope Montessori Academy in Creve Coeur provide a learning environment that nurtures your child’s self-confidence, fosters cooperation and incites enthusiasm for learning.

Like all Hope Montessori Academy schools, the Creve Coeur campus provides your child opportunities for "hands-on" learning. Children are free to learn and progress at their own pace. Our program encourages independence, self-assurance, self-motivation, respect for others and a love of learning — positive characteristics of success that your child will draw upon over a lifetime.

The Creve Coeur campus is the first Montessori school opened by Hope. By design, our classrooms have a warm, “home-like feel” to enhance learning and exploration. Outside, you’ll find the campus is tucked away just off North Mason Road. The school is surrounded by a beautiful wooded area and is adjacent to Millennium Park, often visited by Hope classes.

The campus is half-mile south of Olive Boulevard, and is less than two miles west of I-270.
