Hope Montessori Academies are renowned for providing the highest quality Montessori education available. Hope Montessori of Lake St. Louis offers your child a dynamic environment where he or she is encouraged to explore, experiment and create.

Like all Hope Montessori schools, the classrooms are designed to feel more like home rather than a school. Classrooms are spacious, with areas tailored to enhance children's understanding of specific subjects, including mathematics, language, geography, science, and the arts.

Our Lake St. Louis campus is a year-round Montessori school. We offer a variety of programs to meet our family's needs, including a comprehensive, full-time program, as well as part-time, morning or afternoon classes. We supplement summertime with activities related to the arts, field trips, nature hikes, swimming, and picnics.

We serve children between 2 and 12 years of age with Toddler Classes (2 year-olds), Preschool Classes (3-4 years of age), and Kindergarten Classes (5-6 years of age). For our elementary school-aged children (6-12 years of age), we provide before and after care, as well as a variety of summer enrichment programs.
